Women tags sponsors. We need \$40 paid to the club.

We reordered tags. Wrightlife having tags has worked well. Always have tags there.

Keep track of how many tags we have and have money dropped off once a week.

How many tags do we have left and how much money should we have in the bank.

This is an issue that some of the Board Members are worried about. We need an exact amount of members and money deposited.

We don't feel comfortable giving Peter more memberships until he gets with Shawn or Bruce to give all current to date membership money and info to them so we can deposit the money.

If Peter needs help Danny and Chad offered assistance.

Around 64 sold, need around \$125 dollars or so from Peter.

Danny and Chad will see to it that memberships are at All NoCo Events. (Leagues and Tournaments since Peter hasn't been able to)

We need women's tags from Peter by next Tuesday. Danny promised someone we would have them.
